

PTV Golf Cart Permit

The Mayor and City Council recently passed a golf cart ordinance allowing cart drivers to access streets throughout the City. Once confined to golf course communities, golf carts, also known as "Personal Transport Vehicles," will be eligible to drive on any public roadway with a posted speed limit of 25 MPH or lower.

Generally, a PTV is a "golf cart" or "motorized cart." Under State Law, a PTV is any motor vehicle having no fewer than three wheels, an unladen weight of 1,300 pounds or less, and which cannot operate at more than 20 MPH. A "golf cart" by definition cannot operate at more than 15 MPH. PTVs are **not** power wheelchairs, scooters or any all-terrain or multi-purpose off-highway vehicle.
